Dear Betws Yn Rhos Community Council,

Pont Dolwen – Bridge Strengthening

One of Conwy County Borough Council's main objectives is to provide infrastructure that is fit for purpose. To do this, we sometimes need to carry out some maintenance work on our assets. This letter is therefore notification that we propose to undertake maintenance works at the following location:

Pont Dolwen, Dolwen to Garnedd Uchaf, Dolwen, LL22 8PA

This work will commence around mid-August and will last approximately 12 weeks under a road closure. The start date will be subject to receiving all the necessary statutory approvals from CADW for Listed Building Consent and also Natural Resource Wales for working within the watercourse.

I would like to thank you in advance for your cooperation and understanding during the work. Please do not hesitate to call on the above number should you have any further queries regarding the project.

Yours sincerely,

For G.B. Edwards
Head of Environment, Roads & Facilities
