Playing Out

Playing out is the chance to play, have fun, get wet, messy and muddy and make friends.

All sessions are open access, which means that children are able to come and go as they please.

Sessions are suitable for children ages 5 -15 years old. All children must complete a registration form upon arrival.

Under 5's are welcome but must be accompanied by a responsible adult.

Playful Parents sessions provide play opportunities for children aged 0-5 years.

Sessions are facilitated by the play development team, who have a variety of items of equipment on offer. The sessions are child led, so they choose what they want to do, or what equipment they use.

Sessions are a great social opportunity for parents and children.

Come and join us in the park to get wet, messy, have fun and make lots of friends!

Running 25th July - 26th Aug

Cardboard kingdom

Cardboard kingdom sessions facilitated by our awesome playworkers, we'll have a range of play resources, loads of cardboard and even more enthusiasm.

Skate Park Events

Conwy Play development have been working with King Ramps to provide sessions across local skate parks. These events are an opportunity for children and young people to come along and have a go, with demos, free workshops and competitions.

Princess in the park

We will have high quality professional children's entertainers attending some of our Playful Parents sessions in the summer. A lovely opportunity for little ones to meet a real life princess and enjoy a sing along to some of their favourite songs.

Circus Skills

Come along and learn a variety of circus skills such as juggling, diabolo, devil stick, balancing and plate spinning in a fun and supportive environment.
