

Dear Betws Yn Rhos

Do you own a tourer caravan or motorhome or know someone who does? Do they/you keep it in a secure compound or on a caravan site. Don't just rely on the sites security to keep it safe from thieves.

Invest in a tracker like the one pictured below which is Thatcham approved. If your tourer caravan/motorhome is stolen we will stand a much better chance of recovering it.

Owners should also think about registering with CRiS the Central Registration & Identification Scheme for caravans. <https://orlo.uk/KKGDD>

They and you should also make a record of the chassis number.

Another great way of protecting your tourer caravan/motorhome is by using a good quality wheel clamp. Make sure it is #SoldSecure standard, preferably Gold. If possible fit 2. This will make it even less desirable to potential thieves.
